### **HDM CORP. PARTNERS WITH CORVEL CORPORATION**

(Omaha, NE) HDM Corp. announces its partnership with CorVel Corporation [CRVL] to offer expert health insurance claim profiling. CorVel Corporation is a national, independent provider of leading-edge health care management services and solutions,

CorVel Corporation provides services for employers, insurance companies, TPAs and government entities via a nationwide network of branch office locations and expert professionals. CorVel offers expertise for local health care concerns supported by national resources to provide disability management, provider networks and medical review programs.

HDM Corp. and CorVel Corporation will work together on an Enhanced Bill Review program, designed by CorVel, which is a complete medical savings solution for in-network and out-of-network medical bills. CorVel's technology allows payors to define and adjust individual line item charges on all medical bills to usual, reasonable and customary levels, as provided under most medical insurance programs.

The savings generated will assist clients to most effectively manage the expenses on health care products. HDM Corp. is dedicated to *finding a better way* to utilize health data to manage health care expenses.

Lisa Lechowicz, CEO and Founder of HDM Corp., stated, "We are excited to be working with CorVel in this new partnership. CorVel has built a state-of-the-art database consisting of a over 90% of the nations hospital line item descriptions. The line item descriptions are evaluated and appropriately compared to other hospitals in the same geographical area. This technology will allow enhanced success in bottom-line results to our clients."

Randy Dorshorst, Vice President of Network Solutions of CorVel stated, "CorVel is excited to partner with HDM Corp. HDM Corp.'s success in the administration of health care transactions, coupled with CorVel's unique experience with hospital data will bring HDM Corp. customers added value in the marketplace."
